For Sale.

Fifteen tons of lucern hay, one good three and a quarter wagon. Inquire of EDWIN COX, Hamiltons Fort.

Mr. Francis Webster returned the last of last week from Chicago, where he has been with a flock of sheep for market. Mr. W. reports fair success in his venture.

Wheeler & Wilson Sewing Machines.

If you desire to buy a first class up-to-date, light running sewing machine you will do well to call at the residence of Samuel H. Webster. Old sewing machines and live stock taken in part payment.

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Blies of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. No other affords such a quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it.

Municipal Socialism.

As a sample of socialistic views of city policy, we present to our readers the following platform of principles adopted by the socialists of Mt. Pleasant.

1. The abolition of the contract system on all public works, and all child labor.
2. The free education of all children up to the age of 18 years, and the furnishing of books, food and clothing by the municipality as required.
3. The public ownership and operation of all public utilities.
4. A municipal labor bureau for the free use of the public.
5. A municipal coal yard to supply the city with fuel at the actual cost of mining, transportation and delivery.
6. Submission to the people of all questions affecting the public welfare when 2 per cent of the voters shall petition for such submission.
7. The ultimate operation by the city of factories, stores, bakeries, the liquor business, gas wells, etc., for the public benefit and not for private profit.
8. Socialist party, when in office shall always and everywhere, until the present system of wage slavery is utterly abolished, make the answer to this question its guiding rule of conduct: Will this legislation advance the interests of the working class and aid the workers in the class struggle against capitalism? If it does, the Socialist party is for it; if it does not the Socialist party is absolutely opposed to it.
9. In accordance with this principle the socialist party pledges itself to conduct all municipal affairs of Utah in such a manner as to promote the interests of the working classes.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby."

PAGE & BRACKEN.

Mr. A. G. Pace of Harmony was in town yesterday.

Primary and Relief Society conferences will be held in Parowan next Sunday.

Miss Jennie Leigh, daughter of Mr. Henry Leigh of this city will go to Sunnyside Lincoln Co Nevada to teach school soon.

Mrs. Jensen of Parowan, who has suffered for over a year from an affection of the spine, is in Cedar under the care of Dr. Middleton.

Miss Mary Corlett, one of our neatest young ladies, has gone to Milford to assist in the keeping of a boarding house at that growing town.

A GOOD NAME.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge and weaken but cleanse and strengthen.

B. C. MORRIS FLORAL CO.

McCormick Block, Salt Lake City, Utah.

No smutty wheat will be taken at the Cedar City Roller Mill. This is in justice to our patrons and to keep up the record of the mill. Smutty wheat not only injures our patrons, but damages the record of the mill.

C. J. ARTHUR.

Notice was given at the meeting last Sunday that Ward conference will be held in this city next Sunday, at which all the ward authorities will be presented for the consideration of the people.
